# “We put down roots in Little Falls.

Since then, those roots have grown deep.  
We've called Little Falls our home for over  
40 years combined. It's our mission to  
ensure that our community has a bright  
future ahead.

# Building a brighter future for Little Falls.

## Continuing to make progress...

When it came time to put down roots we both chose Little Falls. Since then, we've gotten deeply involved in the community, from coaching to volunteering.

Together, we're committed to ensuring that Little Falls remains a great place to live, work and raise a family.

We'll work with residents, the Council & Mayor James Damiano to continue the work that has been done making government more open and transparent, cutting spending, improving services and making smart investments to keep Little Falls thriving and vibrant.

We know you love our town and community like we do. We hope you will join us in continuing to make progress here in Little Falls.
